

Important Company Policies for a Successful Relationship

We strive to provide you the best personalized care available. To make this possible we adhere to a set of very important guidelines. Please read them carefully. Initial all the boxes, and indicate your agreement by signing on the other side of this form(bottom).

Late Policy "10 minutes"

Being late by more than 10 minutes will require you to either reschedule or wait for the next available opening. There is no guarantee since opening due to cancellations are unpredictable. We do not allow appointment overlap because this undeservedly compromises the care of another patient.

24-Hour Advice Notice Fee

If you wish to change or cancel an appointment we require a minimum 24-hour advance notice. Anything less will result in a **\$50 fee** charged to your account. It costs us money to make appointments available to you. Whether you attend or not we still accrue the expenses (for staff, wages, rent etc.). We don't charge you the actual cost for that appointment but rather a mere **\$50 fee**. We do NOT make money with this charge; its only to act as a deterrent from making last minute charges. Advance notice allows someone else (who needs it) time to reserve it in place of you. Please be courteous and responsible. Thank you.

Copays are due upon arrival

If you happen to forget your wallet or checkbook we may still be able to see you upon completion of an "Extension Request" form. This is a "promise-to-pay" form and carries a minimal fee that allows you to keep your appointment.

No-shows are bad

If you fail to show for an appointment without notice, all future appointments will be removed and a **\$50** fee assessed to your account. You may re-schedule appointments again on a "first come, first serve basis".

Cellphones must be shut OFF or silent.

We realize emergencies may arise and therefore allow you to carry your cellphone during your session, however, please be courteous and set it to silent mode or turn off. Thank you.

Children requiring supervision are NOT allowed to attend sessions with you.

Unless your facility offers child care services, you may not bring children who require supervision with you to your appointment. If your child does not require supervision and is capable of waiting for you to quietly then you may bring them. If any disturbance is caused to other patients or staff members you may be asked to terminate your session early and attend to your child.

Financial Hardship

If you are experiencing difficulties and are unable to afford the cost of our services we have a "Financial Hardship Form" which may be filled-out. If you qualify for financial assistance according to the Federal guidelines, we may legally assist you by waiving or discounting your (patient responsibility) portions of the bill. Ask the front desk person for assistance.

Important Notice from the Federal Government
